

Summer 2026

Dear Gunwharf Residents

**Social events for Gunwharf Quays Residents and Friends**

There was a 'New Look' to the social events being organised for Residents this year.

The small organising group feel there is a need to 'widen our horizons' if we are to get support from more residents and continue.

The first change was to have **Weekly Coffee mornings at Aspex Gallery on Wednesdays at 11pm**. For those who might be interested there is the possibility of playing some board games from 12.15pm. We do realise that these coffee mornings are only available for those who may be retired or working from home, however this get-together has proved very popular with attendance of around 20 people some of who stay around to enjoy the lunch offerings at the Gallery. We hope to welcome even more of you.

The second change was to tap into events being organised within the area for example, Concerts, Talks, Murder Mystery evenings etc. We would also like to add some evening events such as Ten Pin bowling.

We will continue to organise lunches and dinners in restaurants in Gunwharf Quays and the local area.

We hope you will be interested in these new and varied events. We will continue to send email reminders and the posters will be on the notice board in all buildings and a new schedule should be available from the end of September.

If you have any suggestions, please contact anyone by email – addresses on the posters.

Best wishes

Ann Wilson, Cheryl Jewitt, Nigel Cooper, Cecelia Young, Martin Palmer, Hugh Emsley
